A Mother's Day Memory

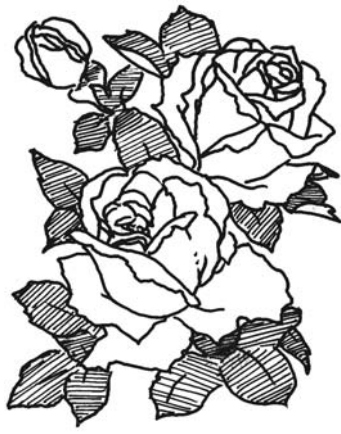

On this beautiful day of family love and affection, daughters and sons honor their mothers, parents remember their own mothers, grandparents dream of a mother's touch when they were children so many years ago.

We can each choose to give our mother the gift of being young and beautiful again, through memory, for these thoughts are as real as the events they recall.

And when you take flowers to a mother's grave, remember how, with dignity and compassion, you were assisted in saying goodbye to the "mom" who always helped you through life.

These memories are real today too, for the professional staff at our funeral home never wavers in its dedication to serving you and your family.

May your Mother's Day memories live on for generations.
