Graduation Day

A retired principal's view:

By Dr. R. Pletsch

The school year is winding down and due to the extreme weather we had this winter, many schools are working hard to change their graduation date. Several schools have the ceremony off-campus, often using high schools with larger and better equipped auditoriums.

Charter and Catholic schools have more autonomy in making up the days and do not seem to have the rescheduling problem that the CPS schools do. Of course, the Catholic schools have the advantage of graduating from their own church.

So parents be prepared, you might need to change the date you are taking off from work. It would truly be sad if the sub-zero temperatures cause you even more misery and you cannot be at the graduation of your loved one.

This is one more problem that principals have that goes unnoticed by almost everyone. But if the new date does not work, they sure will hear about it.

I recall an irate parent when I was principal at De La Cruz that came in because her daughter had

mandatory Summer School in order to graduate -- the problem, they already booked the flights for a summer in Puerto Rico.

Now many schools have already informed parents if their child needs to attend Summer School in order to graduate. If not, this will happen shortly.

The lack of funds at CPS has limited the Summer program in many schools. Please do not depend on them to watch your kids during the summer. Do your planning now. The Park District will have many programs, watch this paper for those inexpensive programs that will help working parents.

While most of these programs are not set yet, some of them have a limit to a number of children they can deal with. So keep your eyes and ears open and you will have a better chance of locating a good program for the summer.

A Mother's Day Memory

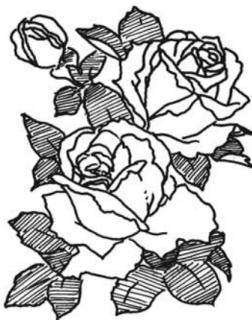

On this beautiful day of family love and affection, daughters and sons honor their mothers, parents remember their own mothers, grandparents dream of a mother's touch when they were children so many years ago.

We can each choose to give our mother the gift of being young and beautiful again, through memory, for these thoughts are as real as the events they recall.

And when you take flowers to a mother's grave, remember how, with dignity and compassion, you were assisted in saying goodbye to the "mom" who always helped you through life.

These memories are real today too, for the professional staff at our funeral home never wavers in its dedication to serving you and your family.

May your Mother's Day memories live on for generations.
