Street Projects In 12th Ward

A 12th Ward Resurfacing Project for Archer ave. from Western blvd. to Pershing rd. has begun and should be completed by Nov. 30th.

The scope of work includes grinding, milling of the existing asphalt pavement, new asphalt paving, and street markings.

In 2027, Archer ave. from Pershing rd. to 47th st. will be resurfaced with new asphalt paving, street markings, and curb-and-sidewalk restoration.
