

Your Property Taxes

By The Cook County Treasurer

Payment Plan Calculator offers a free online help to budget late tax payments.

Property owners unable to pay their tax bills in full by the Oct. 1st due date should look at our free online financial planning tool that helps you make smaller, more manageable payments over time.

The Payment Plan Calculator became available after the due date, at cook-countytreasurer.com. The calculator lets you: Set up a schedule to pay off a tax bill in smaller increments instead of all at once. Choose between making payments once or twice a month. Create a personalized plan for catching up on delinquent taxes if you owe more than \$100.

Click on the purple box. Enter your PIN or your property address and hit “continue.” Then scroll down until you see the Payment Plan Calculator next to the Pay Now button. Click it and a page will appear asking you to type your name and email.

After you enter your information, you’ll receive an emailed reminder from the Treasurer’s Office to set up your payment plan.

Go to cookcountytreasurer.com and click on the purple box. Enter the 14-digit Property Index Number or property address.

Scroll down until you see your bills, then click the red ‘Payment Plan Calculator’ button which appears if a bill is delinquent.

Review the disclaimer and click “continue.” Choose how often you want to make payments.

Select Summary View to compare dates, amounts and your remaining balance. Download or print your personalized schedule to track your payments.

You can sign up for free email or text alerts, so you never miss a payment reminder.

Taxpayers have as many as 13 additional months to pay off a bill before the unpaid tax debt is auctioned off at the Annual Tax Sale.

Interest will be charged at a rate of 9% a year, or 0.75% a month.
